Pls find the next round of comments on FDEP's submission for assumption. We are commenting on draft rule language, 404 Handbook, and the regulatory crosswalk.

Thanks

We are continuing to review the information shared by FDEP staff between Sep 14 and 17 regarding their draft rule package (i.e., draft rule language, 404 Handbook, regulatory crosswalk). While our review is still ongoing, we are sending additional comments for your consideration as follows to supplement those we provided on Sep 20, and we're happy to discuss any issues or questions that you may have.
